## Find ARA-compliant agents in RDN

RDN is partnering with the American Recovery Association (ARA) to provide lenders instant access to the compliance status of ARA-affiliated agents. Lenders can take advantage of this new feature, which offers added confidence when considering an agent for assignment.

## **HOW IT WORKS**

When adding a new case in RDN, color codes will display under a new 'ARA' column indicating whether an agent is ARA compliant. To quickly filter agencies based on current compliance status, 'An ARA Complaint Agent(s)' filter option is also available.

- Green = In Compliance per ARA Standards
- Yellow = Pending Compliance per ARA Standards
- Red = Incomplete or Non-Compliant per ARA Standards
