

# Vendor – Phone Number Format

# Telephone Number Format

RDN has updated the telephone format for telephone numbers pertaining to Police Departments and Client/Assignees. The telephone number will have to be formatted to the new format prior to saving Recovery information. To update the telephone number on an RDN case page, simply remove the last digit of the telephone number and key in the last digit again. RDN will format the telephone number to the new format. You may also update your telephone numbers via the Client/Assignees tab.

Please enter a valid Police Phone number in the format (xxx) xxx-xxxx to continue.
